Hi Babe !!

I am so happy that you finally  
got to call. It was so good to  
hear your voice ~ You don't even  
know! I almost started to cry -  
so try not to go that long again  
without calling - K-!! When we  
had to hang up - i bet i kept  
the phone up to my ear at  
least another 10 minutes! I didn't  
want to hang up!

You kinda sounded a little  
down. Please don't get down  
Babe - I do realize it's so  
stressful and easy to do - But  
you have to stay up & stay  
positive - try to focus on the  
good things and the good  
things that are coming our  
way!! I want you out of  
there just as bad as you do -  
And it's gonna happen pretty

 be done - You know im  
 right here - And will do any  
 and everything to help you!
